Dear Dever Parents,

On **Friday, November 17th from 3:00-5:30 p.m.**, Dever's 6th and 7th grade students will host a fundraiser to benefit the communities affected by recent natural disasters, including Hurricanes Maria, Harvey, and Irma, the earthquakes in Mexico, and the floods in South Asia. All proceeds will be donated to Oxfam America and International Relief Teams. This will be an evening of food, games, activities, and fun for a great cause. **The students have worked very hard to put this event together and would like to invite the whole Dever family (including parents and siblings) to join together to support this worthy cause.**

In order to attend, your child **MUST** have a signed permission slip on file or with them on the day of the event, or they must be accompanied by an adult on the day of the event.

A \$10 wristband will give you access to all activities at the festival, including games, music, karaoke, face painting, crafts, competitions, and special attractions such as an escape room, gaming room, and nail salon. **All adults and children who wish to participate in activities must purchase a wristband. Parents may enter without purchasing a wristband if they will not be participating in any activities.** We will also have food and raffles at the event, which will be purchased using tickets (\$1 per ticket; most food items and raffle entry tickets will cost \$1 each).

There are two ways to get wristbands/tickets:

- Purchase at the door on the day of the event using cash or credit card
- Prepay for any of these items with cash (enclose with permission slip), or credit card.
  - In order to pay with credit card, go to <http://deverfallfundraiser.weebly.com> and make a donation to cover the amount of wristbands and tickets you would like, then note the donation number (located on the automated email you will receive from Oxfam) on the attached permission slip. If you prepay, you can choose to have your child receive their wristband and tickets during school prior to the event, and they will be able to enter immediately after dismissal.

Please fill out the information on the second page, and **return to your child's homeroom teacher by Friday, November 10th**. If at all possible, please return the permission slip by the given date so we can get an accurate count for food and drinks. We look forward to seeing you there! **We encourage all parents and siblings to attend as well!**

If you have any questions, please email me at [jleyderman@cps.edu](mailto:jleyderman@cps.edu).

Sincerely,

Ms. Leyderman (6th/7th grade Social Studies teacher) and 6th & 7th grade Dever Students
